Big Bob Baker, the veteran Pittsburgh heavy weight actually has had it as a boxer - he should reach for the pipe and slippers - - - Oscar Robertson, Cincinnati University's All American Basketeer is tops in every respect his only achilles is his outside shot. Recommended Althea Gibson's great human interest book " I ALWAYS WANTED TO BE SOMEBODY " published by Harper Brothers of New York. It's terrific! Early odds rate Floyd Patterson a 6 to 5 choice to retain his heavyweight diadem in his forthcoming scrap with potent Ingemar Johansson, the Swedish idol. We think more Negro athletes should concentrate on wrestling..the big boys sign huge salary checks. Aubrey Lewis, the former Notre Dame football flash is now teaching in North Jersey. The Milwaukee Braves will find their road to another pennant rough unless they find a replacement for Red Schoendienst at the keystone. Yogi Berra has shown definite signs of slipping so look for Elston Howard the most under -- rated Yankee to top dog behind the plate. Three of the classiest cagers to hit the N.B.A. in some time are Wayne Embrees of Cincinnati, Hal Greer of Syracuse and Guy Rodgers of Philadelphia. Maurice "Big Mo" Stokes, Cincinnati Royals flash sidelined by sleeping sickness is improving, but at a snail's pace...Isn't it time the Boston Red Sox and the Washington Redskins stopped whistling in the dark and give qualified Negro athletes a chance to make their teams? Incidentally Elgin " The Rabbit " Baylor of the Minneapolis Lakers appears to be a shoe - ing to win rookie of the year honors in the N.B.A. Remember this no matter what you no athletic team has a monopoly on victory! See you next week. Hope you get all the good breaks.

M. G. WASHINGTON

her life is in her
hands...and yours

This wonderful little girl, named Colleen, is a victim of Myasthenia Gravis, commonly called MG. Without the medication she holds in her hands her affliction could be fatal. With it, she is normal.

Most frequent symptoms are extreme fatigue, drooping eyelids, double vision, difficulty in swallowing, weakness of arms or legs. *See your doctor at once!* Most patients, adults or children, are restored to happy and nearly normal lives.

Will you support the work to find the cause and cure of MG? The big difference of life itself may be in your hands, too.

Like the stuff Mr. Wakefield talks, wants his place to set a standard for class, on W. Market Street, Newark. Dinners and lunches here are excellent plus choice people like Lew Perkins and Woody Garrett and his wife Ruth celebrating her birthday, happy returns.

Althea Haskel of Summit, New Jersey, will be a cover for one of the national magazines. Teddy Powell's station wagon easing home after last Saturday's concert. Smiles.

Severa Lindsey will represent Dan Esposito Olds in the "Miss Modern Beauty Pageant," Easter Sunday. New York's Joe. Medlin, once a shy singer with Buddy Johnson's band, has a record hit coming.

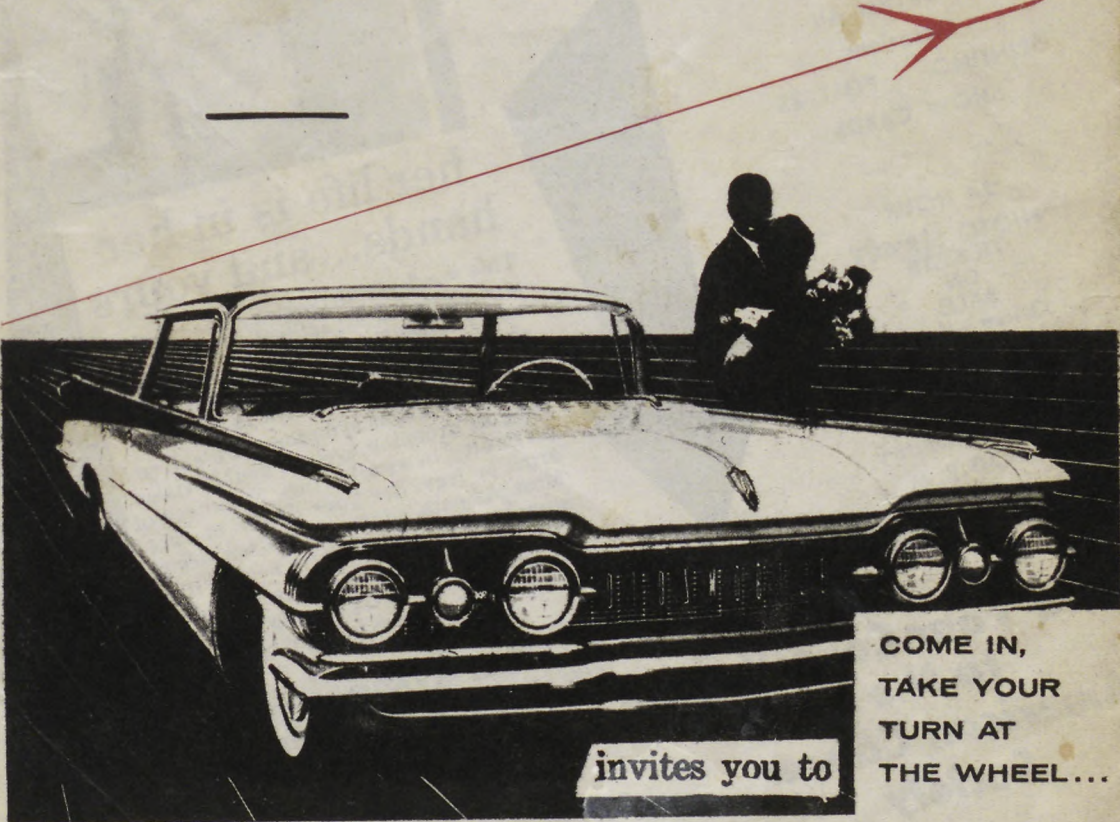

Everybody is talking about the tasty shrimp at Red Shirt Ch... Fish Bowl on West Market Street at Littleton Avenue.

At 4 a.m. smiles. There are more pretty girls visiting the Spot Lite Club these nites than in the Rockettes line-up.

Jack is just a real nice guy. Melvin Coleman's birthday Saturday nite was something else. He gave yours truly notes about his Car Hop Bar-B-Cue Pit which will be built on West Market Street at Morris Avenue. It will include a 15 foot pit, dual smoke stacks, using a teal hickory log fire. Edward T. Bowser is the architect. Among his guests were Mae T. Muldrow, Otis Cawthorne, Betty Lee Armstrong, Fred Muldrow, Wm. Anderson, James Reed, Alma Seasons, Danny Coleman, Lulu Brown, Barbara Warrick and her mom from Passaic, N. J., Catherine Butler, Martha Bantelett, Rabbi, Barbara Johnson, Dave Pearsall and Kay Lewis who tipped me off about her song, "Pretty Guitar," which might be done by Billie and Lillie. Music by Skeeter Best.
